

Curriculum Vitae

Name: Rihab Mohamed Abdelghafar Osman

E-Mail rehabeen@yahoo.co.uk

Mobile: 0912650064

Address: P. O. Box 204 Hilat Kuku, Khartoum North

Qualifications:

- B.V.Sc, Faculty of Veterinary Science, University of Khartoum. (1995).
- Higher Diploma in Medical Ultrasound, College of Medical Radiological Science, Sudan University of Science and Technology (2002).
- M. Sc (Ultrasound), College of Medical Radiological Science, Sudan University of Science and Technology. (2006).

Experience:

- (2000): Teaching assistance, College of Veterinary Medicine and Animal Production, Participated in teaching practical lessons in anatomy 2000-2002, Veterinary Medicine and Pharmacology (2002-2004).
- 2002 to date: Lecturer of Medical Ultrasound and 2006- to date, Clinical Laboratory Medicine, College of Veterinary Medicine and Animal Production, Sudan University of Science and Technology, Department of Clinical Studies.

Training courses and workshops attended:

(Letters of attendance and/or certificates attached)

- Two months training course in Applications of Diagnostic and Interventional Ultrasound in Farm Animals, Pets and Equine. June-August 2007. Animal Reproduction Research Institute (ARRI), Alharam, Giza, Egypt.
- Participated in a training course on Concepts and Application of Pace Integrated Database (PID) on Animal Disease Information Management. Ministry of Animal Resources and Fisheries, Sudan, in collaboration with Pace- Sudan (2003).

- Attended one day seminar on Advances in Ultrasound, College of Medical Radiological Sciences in collaboration with Afro- Asian Institute of Medical Sciences, Lahore, Pakistan.
- One week work shop training course in Medical Ultrasound in College of Medical Radiological Science, Alzaeem Alazhari University.
- Workshop on development of skills in Research, data analysis, projects and thesis writing, College of Graduate Studies, Sudan University of Science and Technology (2006).
- Workshop training course in Eradication of Contagious Bovine Pleuropneumonia, Ministry of Animal Resources and Fisheries, Sudan in Collaboration with Pace- Sudan.
- Participated actively in the 14th International Conference on Biotechnology in Animal Reproduction (ICBAR), National Research Center, Dokki, Cairo, Egypt. (2007).
- Participated in teaching veterinarians in workshop training course on Basic Principles of Ultrasound, College of Veterinary Medicine and Animal Production (SUST) in collaboration with Sudanese Veterinarian Association.
- Participated in camel conference (16-17 July 2007), An approach to abdominal ultrasonography in (camelus dromedaries) with special emphasis to the liver. Sudan, Khartoum, College of Veterinary Medicine and Animal Production, Sudan University of Science and Technology.

Publications:

- B- Mode Real-time Ultrasonography for pregnancy diagnosis and fetal number in Saanen goats. Journal of Animal and Veterinary Advances 6 (5):702-705, 2007.

- An Approach to Abdominal Ultrasonography in Camels (*Camelus Dromedaries*) with Special emphasis to the Liver. *Journal of Science and Technology* Vol. 8 (2) 2007.
- Ultrasonic Measurements of Crown –Rump Length and Bi Parietal diameter to predict Gestational Age in Saanen goats, *Journal of Animal and Veterinary Advances* 6 (3):454-457. 2007.
- Poster presentation (B- mode Real Time Ultrasonography for pregnancy diagnosis and fetal number in cross bred goats), in 60th Anniversary celebrations, Sudan Veterinary Medical Association. Sudan, Khartoum- Friendship Hall 7-9 Dec 2007.
- Ultrasonographic findings in 25 Zebu Calves with Liver Fascioliasis, *Journal of Animal and Veterinary Advances* 1/ 2008.
