

## C.V.

**Name:** Abdalla Ahmed Elfeel (Ph.D.)  
**Nationality:** Sudanese  
**Place of birth:** Um Abdalla, South Kordofan State  
**Date of Birth:** 1963  
**Marital status:** Married with four children.  
**Address:** B.O.Box 6146, code 11113, Takamul, Khartoum,  
SUDAN. e-mail [Aelfeel@yahoo.com](mailto:Aelfeel@yahoo.com). Cell phone  
+249-122876705, +249.122512034.

### **Educational Qualifications:**

Ph.D. Forestry, College of Forestry, Sudan University  
M.Sc. Forestry, Faculty of Forestry, University of Khartoum  
B.Sc. Forestry. Faculty of Agriculture (Forestry), University of  
Khartoum.

### **Field of experience:**

Silviculture/Tree breeding and forest genetic resources conservation

### **Field of Interest:**

Domestication of non-timber forest products.  
Forest gene resources conservation.

### **Occupation:**

Assistance prof., College of Forestry and Range Science, Sudan  
University of Science and Technology.  
Head Department of Forestry  
In Charge of Examination office in the College.  
A member of a central examinations committee ( a senate committee).

### **Working experience:**

1993 – 1996 Research assistance and counterpart seed sources  
development, National Tree Seed Centre  
1996 - 1997 Head. Seed sources and gene resources conservation section,  
National Tree Seed Centre.  
1997- 2007 Lecturer, College of Forestry and Range Science.  
1998 – 2007 Visiting lecturer, University of Sennar  
2000 – 2002 Visiting lecturer, Upper Nile University

**Other activities:**

Member of the national steering committee for forest genetic resource conservation and management.

Head projects, Hiama organization for social development.

Member of the ministerial committee for development of seeds strategies (on tree seeds).

Member of African Forestry Research Network (AFORNET) at the African Academy of Science.

**Papers:**

- Elfeel AA and Warag EI. 2004. geographical source variation in seedlings growth and nodulation of *Acacia senegal* (L.) Willd var. *senegal* in Sudan. Sudan Silva 10(1) 18-31.
- Elfeel AA and Warag EI. 2004. genetic variation in seed parameters and germination of *Acacia senegal* (L.) Willd at geographical source and individual tree levels. Journal of science and technology 5(1), 204-216.
- Warag EL, Elshiekh AE and Elfeel AA. 2002. Forest genetic resource conservation in Sudan. Forest genetic resources, No. 30, FAO, Rome, Italy.
- Elfeel AA. 1996. Seed sources development workplan. Booklet, National Tree Seed Centre.
- Elfeel AA and Warrag EI. 2006. Variation in morphological and chemical characteristics of fruits and seeds among eleven geographical sources of *Balanites aegyptiaca* (L.) Dell in Sudan. Sudan Silva 12(1).
- Elfeel AA, Warag EL and Musnad HA. 2007. Response of *Balanites aegyptiaca* (L.) Del. seedlings from varied geographical sources to imposed drought stress. Discovery and Innovation, special edition, 19 (4).
- Elfeel AA, Warag EL and Musnad HA. Patterns of provenance variation in germination and growth in *Balanites aegyptiaca* (Del.) L. (Heglig tree). Submitted.
