Curriculum Vitae

Name: Intesar Yousif Hassan Turki.
Date of birth: October 1964.
Place of birth: El-damer.
Nationality: Sudanese.
Religion: Muslim.
Marital status: Married with four children.
Present address: Sudan University of Science and Technology–

College of Animal Production.

Tel. Office- 00249185843373
Mobile-00249912311868

Email intesar2@yahoo.com
www.sustech.edu

Education: Primary in ELdamer and Secondary education: in Sultanate of Oman.

Qualifications: **B.Sc.** (Animal Production) Mansoura University, Egypt V.Good (1988).
M.Sc. Animal Production – Animal Nutrition University of Khartoum (1992).
Ph.D. Animal Production – Animal Nutrition University of Khartoum (2002).

Present Address Animal Production Science College. Sudan university of Science and Technology (SUST) P.O Box 204 Khartoum North.

Tel: Office 00249185 483373-0029185380136

Cell phone 00249123101033 -00249912311868

Thesis Title of MSc:

Influences of different percentages of gluten meal on fattening Performance of Sudan desert Sheep.

Title of PhD.

The Effects of Different Dietary Protein Sources on fattening Performance and carcass characteristics of Western Baggara Cattle.

Area of Interest: Animal Nutrition.

Professional experience:

- 1988-1990** **Private:** Manager, Animal Production Department, El-Mourog Elkhdra Co., Khartoum, Sudan.
- 1990-1992** Manager Turke for Agric. Tra. and Investment Co.
- 1994-1996** Private working in livestock feeding market selling and buying at Kuku area. Khartoum North, Sudan.
- 1995-2002** Lecturer, Sudan University of Science and Technology – College of Vet. Medicine and Animal. Production., Khartoum North, Sudan.
- 2002-2008** Assistant Professor- SUST.
- 2003-2006** Chairperson, General Committee, UNCSCO Chair for Women in Science and Technology, Sudan University.
- 2006 to 2007:** **Deputy Dean**, College of Vet. Medicine and Animal. Production.
- 2007 –2009:** **Dean** of Veterinary medicine and Animal Production College, Sudan University of Science and Technology.

2008 to date Associate Professor at (SUST)

11/2009 to date **Deputy Dean**, college of Animal production Science

Teaching Experience:

Undergraduate:

- 1- Animal Nutrition Basic Science.
- 2- Poultry Nutrition.
- 3- Fish Nutrition.
- 4- Ration formulation and calculation.
- 5- Feedstuffs.
- 6- Applied Nutrition.

Postgraduate:

- 1 / Advance Animal Nutrition Science.
- 2/ Range pasture and fodder management in Sudan.

- 3/Analysis of feedstuffs.
- 4/ Advance Beef nutrition

**Supervision of Post graduates Students:
Sudan Univ.**

- 1- A Comparative Study of some physical & Chemical Characteristics of (three types) Nilotic Fish's Body Components (MSc.) Candidate: Abd El Raheem Ahmed Mohammed.
- 2- Production performance and carcass characteristics of western Baggara Cattle fed on Mash or Pellet feeds (M.Sc.). Candidate: Ahmed Ismael Ahmed).
- 3- Impact of using some concentrates in feeding Milk cow's .Case Study Southern Kordufan State. Candidate: Gwahir Zroog Ahmed.
- 4- The effect of Salinity and Feed Type on the Growth and Nutrition Quality of the S-Type Rotifer *Brachionus Rotundiformis*.

Other Univ.

- 5- Enzymes usages in leather tanning. Salma Abed Elraheem. Unv. Of Khartoum University.
- 6- The impact of some formulated diets on serio-chemical and histology of selected organs of Rabbits. Candidate: Amna Tag Elssir Mahgoub. Khartoum University.
- 7- Gentic of the one humped Camel (*Camelus Dromedarius*) breeds in Sudan. Candidate: Amir Mohamed Osman. Khartoum University
- 8- Effect of feeds quality on skin production and leather chemio- physical characteristics in Sudan desert sheep. Mohammed Mahedy. Kordfan University.

Research Projects:

- 1- Effect of feeding different percentages of Guar on Broiler Poultry Performances in Sudan.
- 2- Effects of feeding different percentages of Guar on Desert sheep mutton Performances in Sudan.

- 3- Effect of Ram Castration on the growth rate and Carcass Components.
- 4- Using of sugar beet fodder in fattening sheep diets.

Administrative Experience:

- 1/ Head of Sub Department of Animal Nutrition.
- 2/ Chairperson, General Committee, UNCSCO Chair of Women in Science and Technology. Sudan University of science and Technology.
- 3/ Vice Dean of Vet. And Anim. Prod. College. Sudan Univ.
- 4/ Dean of Vet. And Anim. Prod. College. Sudan Univ.
- 5/ VD. of Animal Production Science & Technology College. SUST

Membership

- 1- Member, GAB (Gender African Board, UNCSO).
- 2- Member, Peace Culture Centre, Scientific Council - Sudan University of Science and Technology. www.sustech.edu
- 3- Executive Manger, Sudanese Environmental Organization for Technology and Management.
- 4- Member, International Center of *Eiman* (Faith) Research. www.faithresearch.net.
- 5- Member, agricultural council, Sudan Khartoum.
- 6- Member, Executive committee, Society of Sudanese Colleges of agric. Sector. Union of Sudanese Universities.
- 7- Member, Humanitarian& National Affairs Community Development center.
- 8- Member, national Committee, high council of agriculture development, improvement of traditional sector.
- 9- Technical Advisor, Pastoral Environmental Network in the Horn of Africa (PENHA), Sudan office. www.penhnetwork.org
- 10- Advisor, Family bank, small Finance projects of producer families. Khartoum

- 11- Advisor, African city of technology-biotechnology unit. www.act.sd
- 12- Consultant, graduates incubator, Islamic University.
- 13- A VD Scientific effort office, professional association of Sudanese University's & higher institute's teachers. www.pausut.org
- 14- Sudan Veterinary Council. Ministry of Cabinet, Presidential General. ministers@sudanmail.net

Extra Curricula Activities:

- 1- Manager, Livestock research and fattening project. College of Veterinary medicine and Animal Production, Sudan University of Science and Technology.
- 2- Manager, Graduates incubator for Training and Employment Project which involves the following activities:
 - a- Dairy production and processing unit.
 - b- Meat production and processing unit.
 - c- Honey Bees Breeding and production.
 - d- Poultry production (Layers and broilers).
 - e- Goat improvement breeding project.
 - f- Fish aquaculture, kuku, fish farm.
 - g- Zoo management, kuku zoo www.sustech.edu-kuku
 - h- Feedstuffs processing unit

Publications:

- 1- Feedlot Performance of Dromedary Camel (*Camelus dromedarius*) Calves Fed Different Dietary Regimes **Intisar Y. T.**, Rabab. M. A., Hamid. A. and Mohamed T. J. of Sci. & Tech. Vol. 8(2) (2007) Pp 102.

- 6- Serum Biochemistry Values of Sudanese Stabled and Grazing Camels (*Camelur dromedaoius*) Ali, S. A., S.A. Omer, S. M. EL Bashir., **I. Y. Turke.**, and S.E. M. Barakat. Assiut vet. Med. J. (2007).
- 7- Influence of water consumption on milk yield and milk composition in camels (*Camelus dromedarius*). **Intesar Y. T.**, Ashraf A., Baha E. E., Fayza H. M. and Hamid. A. Sudan Standards & Melerologies Journal.
- 8- Determination of six sources of protein using the nylon bag technique. **I. Y. Turki**, M. T. Ibrahim and H. Agab. Under Publication.
- 9- Effect of feed type on some blood constituents of Sudanese growing camel (*Camelus dromedarius*) calves
S.A. Omer¹, H. Agab¹, Gussey, H.A. Samad² and **I.Y. Turki¹**

Feasibility studies:

- 1- A study on the introduction of concentrated animal feeds in Northern Kordofan State. IFAD.
- 2- A feasibility study on Dairy Production & Milk harvesting in Singa Area, Sennar State.
- 3- A feasibility study on beef production and fattening. A joined project for Farmers Bank and Sudan University of Science and Technology.

- 4- A feasibility study on dairy production (2000 dairy cows) for "Masharib" Project, Sudan national Youth Union.
- 5- A feasibility study on Bees keeping and Honey Production
- 6- Study on Animal Production & Processing projects Southern Darfur State.
- 7- A Proposal of consulting services for Marrowy Dam on animal production and quality control center.
- 8- Feasibility study on fodder conservation for PENHA and PEAKS Kassala State-Eastern Sudan.
- 9- Study on women consolidation in animal feeding & Dairy processing in Kassala State.

Seminars, Conferences and Symposia:

- 1- International conference "Women, Science & Development" **Aden University**. 12-14 Dec. 2005.
- 2- National Council of Higher Education and Research. Workshop on advancements and modernization of agricultural college's curriculum. 1-2 December 2004.
- 3- UNESCO' Capacity of Intervention in post-conflict Reconstruction and Development Process in Sudan. Khartoum, 13-15 March 2006.
- 4- Sudanese national Commission for Education, Science and Culture, workshop for women leaders working in girls education sector at Egypt, Sudan and **Yemen** 4-10 October 2004.
- 5- GAB Africa-GAB Sudan-UNESCO Chair for women in Science and Technology workshop on Strategic plan of action on Gender in Science and Technology 4-5 June 2005.
- 6- The national council for Technical and Technology Education, workshop on Advancement of Technical and Technical Education, Khartoum Friendship Hall: 10-12 July 2007.

- 7- Workshop of the Role of Women in Constitutional Development after the Peace Agreement UNESCO Women Chair (SUST), 4-5 May 2005.
- 8- National center of research. Biotechnology for Sustainable Development Khartoum 13-15 December 2005.
- 9- Issue of animal development and livestock management system. Exchanging link, Angra- **Turkey** 19-27 August 2007.
- 10- Agrena poultry industry exhibition **Cairo** July 2008
- 11- Applied biotechnology –international conference – Elfatah tower, Khartoum Sudan, October 2009.
