- Member of the University Senate 2009 till now
- Member of the committee of preparing the curriculum, Department of Hematology.
- Member of the committee preparing the college curriculum

## **Teaching experience:**

### **A: undergraduate**

1. Teaching hematology to the 2<sup>nd</sup> year students , SUST , 2005 up to date
2. Teaching hematology and Immunohematology to the 3<sup>rd</sup> year students, SUST, 2005 up to date
3. Teaching practical Immunohematology and practical coagulation to the 4<sup>th</sup> year students, SUST, 2001 up to date
4. Teaching practical hematology to the 2<sup>nd</sup> year students SUST, 2001 up to date.
5. Teaching practical hematology and Immunohematology to the 3<sup>rd</sup> year Students, SUST, 2001 up to date
6. Teaching practical haematology to the 2<sup>nd</sup> year students, Elnilian University 2002-2004.
7. Teaching practical hematology to the 2<sup>nd</sup> and 3<sup>rd</sup> year students, Juba University, 2004-2006
8. Teaching laboratory management to 1<sup>st</sup> year students college of ShargElnil, 2006-up to date.

### **B: Postgraduate**

#### **Diploma level.**

1. Teaching practical Immunohematology and practical of RBCs module to the post graduate Diploma students, SUST 2005 up to date.

#### **M.Sc. level**

1. Teaching practical Immunohematology and practical of RBCs module to the M.Sc students SUST, 2005 up to date.

#### **Supervision:**

#### **B.Sc level**

More than 100 Graduate projects

#### **Postgraduate Diploma level**

More than 30 post graduate Diploma projects

## **Research projects**

1. Determination of Blood group phenotypes among major Sudanese Ethnic groups.
2. Evaluation of hematological parameters in healthy Sudanese populations.
3. Frequency of iron deficiency anemia and thalassemia among anemic Sudanese women of reproductive age

## **Scientific societies:**

- Member of the Sudanese Society of Clinical Biology.
- Member of the Sudanese Union for Medical Technologists
