

Curriculum Vitae

Personal Information

Name(s) **Bhaeldin Elsir Abdelgadir Abbas**

Permanent Address Sudan University of Science and Technology (SUST),
College of Animal Production Science and Technology (CAPST),
Department of Poultry Science and Technology (DPST),
Wehda Street,
P. O. Box 204,
Hilat Kuku, Khartoum North,
The Sudan.

Mobile **+249 912 982 961**

Alternative Mobile +249 127889955

E-mail behv83@yahoo.com

Nationality Sudanese

Date of birth 1/1/1985

Place of birth Kingdom Saudi Arabia

Gender Male

Desired Employment or Occupational Field

1- Field of Animal Production (poultry)
2- SUST Teaching Staff
3- Researcher

Work Experience

1- Occupation or position held **SUST Teaching Staff at the Department of Poultry Science and Technology**

Dates	From April/2009 to March/2012
Main activities and responsibilities	<p>1- Teaching the practical course of poultry production</p> <ul style="list-style-type: none"> ● Hatching and hatcheries ● Egg quality tests <ul style="list-style-type: none"> ● Statistical application ● Student research co supervision <p>5- Supervision of students' tours and field visits which are important parts of the trainings offered to undergraduate students at the CAPST, SUST</p> <p>6- Leading students in their experiments of graduating Projects</p>
2- Occupation or position held	SUST Teaching Staff (lecturer)
Dates	March2012
Main activities and responsibilities	<ul style="list-style-type: none"> ● Poultry technology ● Egg technology ● Quality control
Name and address of employer	Sudan University of Science and Technology (SUST), College of Animal Production Science and Technology (CVM), Wehda Street, P. O. Box 204, Hilat Kuku, Khartoum North, The Sudan.
Type of business or sector	Education, Research and Providing Community Services
Education and Training	
1- Visited schools	

Primary Education	Alforgan primary school
Dates	From 1992 to 1997
Title of qualification awarded	Primary School Leaving Certificate
Name and type of organisation providing education and training	Ministry of General Education (Governmental Organization)
Secondary Education	Alhalfaya model secondary school
Dates	From 1999 to 2002
Title of qualification awarded	Secondary School Leaving Certificate (Sudanese Certificate)
Name and type of organization providing education and training	Ministry of General Education (Governmental Organization)
2- University Education	
Name of the University Attended	Collage of Veterinary Medicine and Animal Production , Sudan University for Science And Technology
Dates	From 2002 to 2007
Title of qualification awarded	Bachelor of Science in Animal Production Science and Technology (B.sc.APST), first class honour, the top performance
Principal subjects and occupational Skills covered	Poultry Production Poultry Nutrition Poultry disease Poultry management Milk production Milk technology Meat science Meat technology Nutrition Statistical analysis Leather science Microbiology parasitology

Title of graduation thesis **Influence of water consumption rate on milk yield and composition in camels (*camelus dromedarrius*)**

Name and type of organization providing education and training Ministry of Higher Education and Scientific Research (Governmental Organization)

3- Postgraduate Education

Name of the University or the High Institution **Sudan University for Science and Technology (SUST), Collage of Animal Production Science and Technology**

Dates From June/ 2010 to March/ 2012

Title of qualification awarded **Master of Science in Animal Production in Tropics**

Principal subjects and occupational skills covered

- Advance Poultry Science and Technology
- Molecular biology
- Biostatistics
- Advance meat Science and technology
- Advance milk science and technology
- Advance nutrition
- Genetic
- Animal production system
- Computer

Animal production application software
Fit curve. Popgen. Feedwin. SPSS,Excel

- Economic

2- Occupational skills covered during research project were mastering of

- Developing a theme or an idea for a research project
- Proposal writing
- Managing a research project
- Determining the required sample size in a study with certain specific objectives
- Employing the appropriate sampling strategy and study design to attain the specific objectives of a certain study
- Reviewing of literature and developing a full thesis
- Data management, coding, importing and analysis using SPSS (descriptive statistics, univariate analysis using the chi square test and multivariate analysis using logistic regression)

Thesis title	The antimicrobial Effect of Large Baladi and Exotic Poultry Breeds on Egg Yolk IgY
Name and type of organization providing education and training	Collage of graduate Study and Scientific research, Sudan University for Science and Technology

Personal Skills and Competences

Short courses and on-job trainings

- Training in Judiciary Farm. (2008).
- Training course in secretary and office management ,College of Business Studies Sudan university (27/12 – 31/12/2009).
- Training certificate in Bioinformatics Program from Nasik Studies and Training Academy (20/7 – 4/8/2010).
- Training course in electronic distance learning (MOODLE)
- Training course University management collage of Business studies university of Medical Science and Technology
- Training course in Quality and Excellence Quality Control Centre Sudan University of Science and Technology

Languages

Mother tongue(s) **1- Arabic**

Other language(s)

Self-assessment

Understanding				Speaking				Writing	
Listening		Reading		Spoken interaction		Spoken production			
English	A2	Basic user	A2	Basic user	A2	Basic user	A2	Basic user	

Certificate for English language in (pre intermediate , intermediate and upper intermediate intensive) from institute of English language University of Khartoum

Social skills and competences Good ability to adapt to multicultural environments, gained through my work at the university, field, and studying abroad in Germany and Ethiopia and through my visit to Egypt.

Good communication skills, gained through my work at the university, field.

Organisational skills and competences Leadership (I led three students' tours and trained nine groups of students on how to carry out the laboratory work of their graduation projects beside to controlling tutorial activities), gained through my work at the university

Technical skills and competences Good experience in performing and manage a research project gained through my work at the university, field, and conducting masters' research projects.

Computer skills and competences Good command of Microsoft Office tools (Word, Excel, and PowerPoint), on Excel spreadsheet 2007.

Good internet user, gained through attending by practice.

Academic Affiliations

- Member of Sudanese camel society.
- Member of poultry society.

Member Animal production society

Publications

- Effect of water restriction on milk yield and milk composition in camel (camelus dromedaries) 2007.

Scholarships awards **DAAD in country scholarship for Msc.**

Date 2010
