

Curriculum Vitae

HNADI ISHAG HASSAN ALI

Personal information:

Nationality: Sudanes
Religion: Muslim
Date of Birth: July (27th 1982);
Place of Birth: Elgadeed Sudan
Gender: Female.
Marital Status: Married with two children
Address: Khartoum –Sudan
Sudan University of science and Technology
College of Petroleum Engineering and Technology
Department of Petroleum Engineering
E-mail Address: hnadi27@hotmail.com

Education:

January-2009 to May-2011: MSc. Petroleum Engineering (Drilling Engineering), Sudan University of Science and Technology, College of graduate studies, Khartoum-Sudan.

January-2000 to October-2005: BSc. (Honor) Petroleum Engineering (Second Class Division Tow), Sudan University of Science and Technology, College of Petroleum Engineering and Technology, Petroleum Engineering Department, Khartoum-Sudan.

Alemam Altayeeb Higher Secondary School, Elgadeed.

Nosayba Bntkaab Primary School, Elgadeed.

Project:

March to October- 2010: Minimizing Formation Damage Caused by Synthetic Drilling Fluid (Case Study Bamboo Field- Sudan).

March to august 2005: B.Sc. Graduation Project: Nodal Analysis for Simple Horizontal Well.

Languages

- Arabic: Mother Tongue (V. Good: Speak, Write and Read).
- English: Second language (Good: Speak, Write and Read).

Professional Experience

March 2007 up to date: **Lab Technician**, Sudan University of Science and Technology(SUST),College of Petroleum Engineering and Technology (CPENG)-Department of Petroleum Engineering (DPE), (Drilling fluid lab)(DFL).

March 2007 up to date: Drilling fluid lab equipment and instrument inventory and restrict Committee, Khartoum-Sudan.

March 2007 up to date: Drilling fluid lab equipment and instrument maintenance Committee, Khartoum-Sudan.

(1-15 August 2012): Attended a course in “**Drilling fluid tests to various mud types samples training program**”, African Drilling Fluids Co. Ltd. (F Z C), Khartoum-Sudan Branch.

(8-12May 2011): Conducted a course in “**Drilling mud and hydraulic training program**”, for Sudanese technical Engineers specialist union in co-operation with Sudan University of Science and Technology, College of Petroleum Engineering and Technology, Training and oil Consultancy Center, Khartoum-Sudan.

(28 April to 5 May 2011): Conducted a course in “**Drilling Fluid Lab Equipment Calibration and Operation training program**” for the Africa Technology city, Sudan University of Science and Technology College of Petroleum Engineering and Technology, (Drilling fluid lab), Khartoum-Sudan.

(30 march 2011 to 28 April 2011): Drilling fluid lab equipment and instrument maintenance Committee in co-operation with the Great Wall Co. (**DQE International Sudan Branch**) (Chinese Company), (SUST), (CPENG), (DPE), Khartoum-Sudan.

(March to October 2010): Project Research assistant, Sudan University of Science and Technology, Under Dr. Ahmed, A. I. Supervision.

(27June to 01July 2010): Attended a course in “HSE in Engineering industry”, Sudan University of Science and Technology, College of Petroleum Engineering and Technology - Training and oil Consultancy Center, Khartoum - Sudan.

(11 December 2007 to 6 January 2008): Drilling fluid lab equipment and instrument inventory and restrict Committee, (SUST), (CPENG), (DPE), (DFL) Khartoum -Sudan.

(September 2006 to June 2007): Teaching Assistant (Part-time) at the College of Water and Environmental Engineering.

(December 2005 to March 2007): Teaching Assistant (Part-time) at the College of Technology.

Drilling fluid lab project experimental design and development, (SUST), (CPENG), (DPE), (DFL).

Drilling fluid lab experimental design and teaching program development, (SUST), (CPENG), (DPE) , and (DFL).

Referees:

Sami Abd alrahman Musa yaagoub

Head master of department of Petroleum Engineering Sudan University of science and Technology, College of Petroleum Engineering and Technology
