Name: Abubker Yousif Eltayeb Osman

Contact Information:

Email Address:

hdad-44@hotmail.com

Mobile Phone:

+249.912696502 - +249.122891189 .

Country:

Sudan .

Address (Home):

Sudan - Khartoum- Sahafa - (Block 28 - home 29)

Address (Work):

Sudan University of Science and Technology

Professional goal:

Work in the field of energy and general maintenance of the cars and factories, as well as experience in university teaching and training since 2006 in the Sudan University of Science and Technology - Faculty of Engineering.

Personal Information:

- Name: Abubker Yousif Eltayeb Osman.
- Birth Date: 4 April 1977 (Age: 35)
- Gender: Male
- Nationality: Sudanese.
- Marital Status: Married.

Education:

- Bachelor in Mechanical Engineering (power Engineering) (November 2006), (SUST).
- Master Degree in Mechanical Engineering (Thermal power) (May 2010), (SUST)

Training experience:

- TECHNICAL Engineering and investment from May to November 2003.
- Danfoduo Company Engineering 2010.

- Teaching assistant at the University of Sudan for Science and Technology since November 2006.
- Lecturer at the University of Sudan for Science and Technology College of Technology since 2011.

Experiences:

I have trained 6 batches in School of mechanical engineering at SUST certainly in Automotives, taught 4 batches as a lecturer in many courses related to mechanical engineering, such as:

1. Internal Combustion Engines.
2. System Dynamics,
3. Applied Computer Programs(AutoCAD).
4. Solid mechanics.
5. Engineering Mechanics (Statics, Dynamics).
6. Engineering Drawing.

Skills:

Skillful in computer software (Microsoft: Word, Excel, PowerPoint, and Access), MATLAB, drawing and design using CATIA and, AutoCAD.

Languages:

Arabic (Mother tongue).

English.

Memberships:

- Sudan Engineering Council.
