

C.V

Personal Information

1-Name: Mohamed Magzoub Elhag Abdalla

2- Date of birth: 1966

3-Place of birth: Egypt - Cairo

4-Marital Status : Marred

5-Nationality : Sudanese

6-Address: Sudan University of science and Technology
Collage of Fine & Applied art – Industrial Design

7-City and State: Khartoum

8-Phone number: +249 912210216 - +249 123608333

E-mail address: zoub66@gmail.com

Education or Qualification

- 1- 1 - Primary Stage: Kosti _ (no.2) 1979
- 2- 2 - the intermediate stage: Kosti_ princely 1982
- 3- 3 - Secondary: Kosti_ Quoz 1986
- 4- 4 - Undergraduate: Sudan University of Science and Technology - Faculty of Fine and Applied Arts - Department of Industrial Design Bachelor 1991 - Determination of the first degree
- 5- 5 - Master's degree in Industrial Design: 2007
- 6- 6- Master's degree in Business Administration (MBA) Specialization HR
- 7- 7 – Ph.D. degree in industrial design: 2011

Relevant Experience:

- 8- Head of production unit - Sudan University of Science and Technology.
- 9- Industrial Technology Advisor - Ministry of Science and Communications - Africa city of Technological
- 10- Design and implementation of the first bioreactor Sudan
- 11- the design of the first electric-powered car and solar in Sudan
- 12- Design and implementation of the labs at the Faculty of Veterinary Coco, namely:
 - A - plant germs
 - B - Creamery
 - T - plant parasites
 - W - anatomy lab
 - C - laboratory objects minute
- 6 - Design and implementation of the zoo – Coco
- 7 - Design and implementation of Chemistry Lab - South Wing
- 8 - Design and implementation of Physics Laboratory - South Wing
- 9 - Design and implementation of Chemistry Lab - the north wing

- 10 - Design and implementation of the university Resort - Flower Garden - Shambat
- 11 - Design and implementation of the Department of Industrial Design - Faculty of Fine and Applied Arts
- 12 - Furniture design lab imaging Quad - Faculty of Fine and Applied Arts
- 13 - Rehabilitation of the Sculpture Department - Faculty of Fine and Applied Arts
- 14 - Rehabilitation Department porcelain - Faculty of Fine and Applied Arts
- 15 - Design and implementation of the textile department offices - Faculty of Fine and Applied Arts
- 16 - Design and implementation of the Department of Computer Offices - Faculty of Computer Science
- 17 - Furniture design and implementation of the Faculty of Communication Sciences - Sudan University of Science and Technology
- 18 - to modify the design and installation of plant chemistry - Nile Medical College
- 19 - to modify the design and installation of Physics Laboratory - Nile Medical College
- 20 - to modify the design and installation of plant biology - Nile Medical College
- 21 - Design and implementation of setting lecture halls - Nile Medical College
- 22 - Design and implementation of a fountain West Wing - Sudan University of Science and Technology
- 23 - Installation of the walls of a Turkish College of Veterinary Medicine - Park West Wing
- 24 - Design and implementation of plant biotechnology - Africa city of technological
- 25 - Design and implementation of plant water - Africa city of technological

HONORS AND AWARDS

- 1 - First prize for scientific creativity - the General Union of Sudanese Students - Friendship Hall, 1991
- 2 - Certificate of completion - Sudan University of Science and Technology - Office of the Undersecretary 2006
- 3 - A certificate of completion of training (**SANMAK**) Turkish - in the design and implementation of the labs in 2007

4

4 - A certificate of completion of training (**SCS**) UAE - in the design and installation of laboratories (Chemistry - Physics - Biology)

5 - First prize for the design contest for company boards (**DAWOO**) Korean
