

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

## CURRICULUM VITE

### 1. Personal Data :

- a) Name :ElKheirMugadamSalihIsmaeal
- Assistant Professor ., October -23-2008
- b) Place of birth and Date :Babanousa – Western Kardofan State – Sudan –  
January – 12- 21-1976
- c) Nationality : Sudanese
- d) Religion :Muslim
- e) Marital Status : Married

### 2. Present Address:

College Of Forestry and Range Science , Sudan University Of Science and  
Technology (SUST) . Department of Range Science – P.O. box : 6146 \_code  
: 11113 , Takamul , Khartoum , Sudan .

Mobile : +294\_111059516\_912236397

Email: [elkheirsoba@gmail.com](mailto:elkheirsoba@gmail.com)

### 3. Education :

- a) Primary School ElKhadamat ,Babanousa , Western Kardofan State . 1983  
\_ 1988 .
- b) Intermediate School ,BabanousaElmutaasita , Babanousa , Western  
Kardofan State 1989-1991.
- c) Higher SecondarySchool ,ElmugladElthanauia , Elmuglad – Western  
Kardofan State . 1992 \_ 1994 .

#### **4. Qualifications :**

- a) Ph.D. In Range Science – October -23-2008 . Range Science – College of Forestry and Range Science , SUST – Khartoum –Sudan .
- b) M.SC In Range Science –June -17-2004 – College of Forestry and Range Science , SUST – Khartoum –Sudan .
- c) B.SC In Forestry Science , First Class – October – 26-2000 . College of Forestry and Range Science , SUST – Khartoum – Sudan .

#### **5. Thesis Title :**

- a) P. h D . Performance of some selected Natural Range Plant Species at BabanousaArea , West Kordofan .
- b) M.SC . The impacts of Open grazing Practices at Babanousa area , West Kordofan .

#### **6. Area of Interest :**

- Range Sciences (Such as : Range improvement , Range Utilization , Range management ...etc ) .
- Management of Natural Resources .

#### **7. Professional Experiences :**

- a) Teaching assistant – department of Range Science - College of Forestry and Range Science - SUST , 2001- 2003. Teaching the practical of the following .courses :  
Range inventory ,  
Range improvement ,  
Range utilization , laboratory practices and field work cover , Student tours ( in and outside Khartoum State ) , training and monitoring .
- b) lecturer – Department of Range Science -

Teaching the courses – Principles of range management , Range inventory , Range Improvement , , Range utilization , Range management practices , Trees browsing , Range Policy and regulations .

c) Assistant Professor- Department of Range Science – Teaching the above mentioned courses , and Teaching the courses of Natural Resources ( college of geographical and Environmental Science \_ University of Khartoum .

## **8. Teaching Experience :**

a) Undergraduate : Taught and Still teach the above mentioned courses ( in Par , 7 ) Science 2004 up to now .

## **9. Supervision of Postgraduate Students:**

1-Sudan University of Science and Technology :

a. Main Supervisor for M.SC. in Range Science :

-Student Name :AbuobidaHamed Mohammed Eldegare . College of forestry and Range Science Department of Range Science.

-Title of Thesis :Contribution of Natural forest for Range livestock . Feeding \_ Case Study :Khordonina Forest \_ Blue Nile State .

b. Co \_ Supervisor for M.SC in Range Science:

- Students Name :SamiaALSamaneBabeker Farah . College of forestry and Range Science .Department of Range Science.

- Title of Thesis :

Impact of Rangeland improvement practices on Sustainable Rangeland Management in Semi-Arid Area (North Omdurman – Wad Omer Area) .

c. Internal Examiner for M.SC. in Range Science :

-StudentName :Abla Mohammed Ibrahim Zakaria College of forestry and Range Science . Department of Range Science .

Title of thesis : Impact of Plantation Seed Rate and Herbs on Growth and productivity of *Blephairslinari\_ folia* species in tow soil types under

Rainfall.- Student Name :Abdelraheem Ismaiel Hamid Mansour . College of forestry and Range Science .Department of Range Science .

- Title of The thesis: Range Plants Preferred by Camel in the semi – arid Zone Kalemendo Locality \_ North Darfur \_ State \_ Sudan .

## 2- Other Universities:

### 1. Sudan Academy of Science :

#### a- Main Supervisor for M.SC. In Range Science

1- Students Name : Aza AbdallaAbdallaYounis. Agricultural Research Council .

- Title of the Thesis : Some Methods of Decreasing Invading plants at Babanousa area (West Kordofan State).

2- Student Name :Elsirag Mohammed Ali Musa . Agricultural Research Council.

- Title of the Thesis : Impact of Soil type on Vegetation cover and Productivity in Rangeland. Case study : (Elsemah area North Kordofan State).

#### b- CO- Supervisor for P.hD. In Range Science .

1- Student Name :Yousif Musa Ishag Ahmed . Agricultural Research Council .

- Title of the Thesis : Integrated methods for Natural Rangeland Rehabilitation. Case study:( Babanousa area West Kordofan State).

#### c- External Examiner for M.SC. In Rural Development

1-Student Name :Eltom Mohammed ELgaliELtigani. Agricultural Research Council.

- Title of the Thesis : Assessing the Role of Community base organization In Developing the Local Communities. Case study:(Western Sudan Management programme, 2006-2013).

## **10.Administrative Experiences :**

### a) Central Committees in the University :

- Member of Senate (SUST)2012-2015.

### b) Councils and Committees in the College :

- Member of Examination Committees in the College , SUST , 2001-2003 .
- Head of Natural Resources Development Division Department of Range Science - 2004-2006.
- Head of Department of Range Science - 2012-2015.
- Head of Examination Committees of the Department of Range Science - 2012-2015.
- Head of the Department of Range Science Council, - 2012-2015.
- Member of College Research Council, 2012-2015.
- Member of College Council , 2012-2015.
- Member of Self – Evaluation and Quality Assurance Committee, of the College , 2012-2015.
- Member A Committee of Improving the M.SC Programme of Range Science , 2012-2015.

#### **11.Membership :**

- Member of Sudanese Agricultural Union .
- Member of Khartoum State Agricultural Union .

#### **12. Extra CurricularActivities :**

- A Committee member of pastoralist Forum – Sudan , 2012-2015.
- A Committee member of Technical Committee of Supreme Committee for developing West Kordofan State , 2015 up to now .
- A Committee member of Technical Committee for Preparing the development map of WesternKordofan State , 2015 - 2019 .
- A Committee member of Technical Committee for Preparing the fivthprogramme for improving the economics of Western Kordofan State , 2015 - 2019 .

- A Committee member of Technical team for the project of Climate change Adaptation , West Kordofan State , 2013 up to now .

### 13. Publications :

#### a) Published Papers :

1. Fashir, G. A , Mohammed , A.A and **Salih** , E.M.(2012). Impact Assessment of Open Grazing System Productivity, El Dilling Locality – South Kordofan State – Sudan – *Journal of Science and technology Vol.13, Agricultural and Veterinary Sciences (JAVS NO .2), 106-118.*
2. **Salih** , E.M. , Dosougi , M .A and Abdel Kreim . M .and. (2015). The Role of Conserved Range Forages during Summer Season of Babanousa Area *Journal of Agriculture and Natural Resources , 2 (3) , 543-546.*
3. Abu elgasim, A.K., Abdelkreim, M., Mohammed, A.A., and **Salih**,E.M (2016).Study on Common Plants at Savannah Rangeland in Elsukiarea ,Sinnar State, Sudan. *International Journal of Innovative Science, Engineering and Technology ,3(3),217-225 .*
4. Fashir, G.A., **Salih**, E.M., and Abdelsalam, M.I (2016). The Impact of high grazing Pressure on Plants Species diversity with Focusing on native forbs species – Case Study of Dilling Locality- south Kordofan State- Sudan *International Journal of Innovative Science, Engineering and Technology 3(3), 328-339*
5. Abdalla, N.1., Fashir, G.A.,**Salih**, E.M and Abdelslam, M.I., (2016). Estimation of Browse Biomass Productivity for Acacia mellifra (Vah) Benth. In Tendalti Area of White Nile, Sudan. *International Journal of Innovative Science, Engineering and Technology, 3 (7), 630-637.*
6. Farah, S.A.,Gaiba,A.k and **Salih**, E.M.,(2016). Ihe Role of Range Improvement Practices on Sustaining Rangeland Management in Semi-Arid area of Wad Omer, Central Sudan. *International Journal of Innovative Science, Engineering and Technology, 3 (7),638-648.*

7. Tibin,M.A.,Jadalla,J.B.,Aldoma,A.I.,and **Salih.** E.M(2017). *Impacts of Abundance of some Flora Species on Initiating Formation of Phytobezoars in Sheep on Rangelands of Kordofan, Sudan.Scholars journal of Agricultur and veterinary sciences* , Accepted Paper.
8. .Fashir, G.A., Mohammed, A.A., **Salih.** E.M., and Abdalla,N.I (2017). Impact of Open Grazing System on Environmental aspect and Socio-economic in Eldilling Locality-Sudan. *Sudan Journal of Science and technology*, Accepted Paper.

#### **14.Seminars, Conferences, Symposia:**

- ✓ Training Course in(Range Surveys and Analysis) during 28 April-10may 2001.Range and Pasture Administration in Collaboration with Dryland Husbandry Project (Institute of Environmental Studies)
- ✓ Training Course of Communication Skill (Giving Presentation Lectures, Writing Reports ... etc), Sudan National Center for Languages, 100 Hours during Nov.2001-Feb.2002.
- ✓ Training Course in (Basic Capacity building, University Staff) During the period feb-13 to mar-9-2006.
- ✓ Attended (The 48<sup>th</sup> National Crop Husbandry Committee Meeting). Agricultural Research Council, Wad Medani, June 22-2010.
- ✓ Advanced training course in Management and Capacity building, University Staff Performance Development Center, Sudan University of Science and Technology, during the period from 21April to 2may 2013.
- ✓ Attendeda Workshop on Pastoralism, SOS SA Hal Sudan in Collaboration with Tufits University (USA) Feinstein International Center, North KordofanState, during the period from 26-30 October 2014.
- ✓ Training Course on the basic of self-evaluation and quality, assurance (Course portfolio, Continuous enhancement, Writing the annual Report

- for evaluating the Curricula), Sudan University of Science and Technology, 7-may-2013.
- ✓ Attended a workshop on Fund raising for small project proposal, Veterinaries Association in Collaboration with Deanship of Scientific Research, Sudan University of Science and Technology, during the period From 18-5-2013 to 20-5-2013.
  - ✓ Attended a training workshop on assessing the Impact of Climate Change Using the Tracking Adaptation and Measuring Development Framework (TAMD), Organized by HCENR&UNDP, June 1to4,2015.
  - ✓ Training Course in Writing and Publishing Scientific Papers, University of Bahri, during the period 6-10 December 2015.
  - ✓ Training Course in Computer Printing Skills, In Chone Modern Institute for Computer, during the period from 6Feb 2016 to 7Mar 2016.

#### **15. Referees:**

- 1- Professor Dr. Mohammed AbdoDesogi, Collage of Forestry and Range Science, Department of Botany and Environment, Sudan University of Science and Technology Mobile +249914745142.
- 2- Professor Dr. BaboFadlalla Mohammed, Collage of Forestry and Range Science, Department of Range Science, Sudan University of Science and Technology Mobile +249912927800.
