

C.V

Name Alsafi Ahmed Abdulla Ballah

Sex Male

Date of Birth 01/01/1961

Religion Muslim

Marital Status Married

Present Address University of Sudan of Science & Technology (SUST)\
College of Medical Radiologic Science\ P.O. box 1908
Khartoum Sudan.

Telephone +249 0912355314

Email Alsafi1000@hotmail.com

Academic Qualification B.Sc. in Radiation therapy and Education (SUST)
B.Sc. in radiation therapy technology (SUST)
PJD in diagnostic Medical Ultrasound (SUST)
M.Sc. in diagnostic Medical Ultrasound (SUST)
PhD in diagnostic Medical Ultrasound (Swiss)

Professional Experience 1984 – 1985: Radiotherapy Planning, Nuclear medicine
department in Radiation and Isotopes Center, Khartoum,
Sudan.
1985-1990 Kuwait Cancer Controlling Centre.
1990-2006 Lecturer in college of Medical Radiologic
Science (SUST).
2000-2006 course coordinator for Ultrasound Post graduate
Studies (SUST).
2003-2007 Supervisors for 10 ultrasound Post graduate
students.
2003-2007 Internal examiner for ultrasound post graduate

program

2007- Present Dean of the College of Medical Radiologic Sciences, (SUST).

Teaching experience

- Radiotherapy Planning (B.Sc. program).
- Radiotherapy Techniques (B.Sc. program).
- Quality assurance in radiotherapy (B.Sc. program).
- Applied radiation therapy physics (B.Sc. program).
- Nuclear medicine technique (B.Sc. program).
- Radiology department management (B.Sc. program).
- Ultrasound Physics (post graduate program).
- Ultrasound in obstetrics and gynecology (post graduate program).
- Abdominal Ultrasound (post graduate program).
- Doppler ultrasound (post graduate program).
- Small parts ultrasound (post graduate program).
- Ultrasound techniques (post graduate program).

Training Courses

- Departmental Management Kuwait University (1988).
- Curriculum and methods of instruction, Kuwait University (1989)
- National training course on Radiation protection (Sudan Atomic Energy Agency).
- Color Doppler Ultrasound, Pakistan (2005)

Membership

- Member of AAIMS, Lahore, Pakistan.
- Member of academic council, College of Medical Radiologic Science\ SUST
- Member of Senate, University of Sudan for Science and Technology.

CONGRESS PRESENTATIONS:

Color Doppler in small parts. Alsafi Ahmed Abdullah, European and Adriatic color Doppler Society 44 Congress, Mar 2006, Swiss.
