

## CURRICULUM VITAE

Name: SALAH –ELDIN SIDAHMED AHMED.

**Nationality:** Sudanese.

**Social Status:** Married with 2 children.

TEL:+24985-311082

+24985-311896

+2499 12917810

EMAIL: sidahmed810@yahoo.com

p.o.Box110 sudan

### *Education:*

2002-2005 Ph.D., Animal Production (Animal Breeding)

The Sudan University of Science & Technology.

1983-1986 Msc Animal Production (Animal Breeding) Khartoum University.

1977-1981 BSC .Agriculture. (Animal Production).University of (Al-Exandria production) Egypt.

## *Academic Appointment at SUST:*

Assistant Professor.

Membership in professional and scientific society's:

full membership in the Sudanese Agric. Society since 1982.

## *Publication:*

- Genetic distances among nine Sudanese sub-breeds of Autochthonous cattle as measured by RAPD and AFLP MARKERS. Egypt J. Genet. Cytol. 36: 239-254, July, 2007.
- Estimation of Genetic diversity in four Sudanese indigenous cattle breeds. Sud. J. Stnds. Metrol. Vol. 1 (1), 2007. Page 53-60 ISSN-1819-1266.
- Genetic distances and relationship among four Sudanese Autochthonous Cattle Breeds using RAPD molecular markers. U. of K. J. Agric. Sci. 15 (2), 300-315, 2007. ISSN 1560-2141
- Level of polymorphism among four Sudanese Autochthonous Cattle Breeds using RAPD molecular markers. U. of K. J. Agric. Sci. 15 (2), 287-299, 2007.
- Development of Molecular Markers for measuring Genetic diversity and within four Sudanese Autochthonous Cattle. Egypt J. Genet. Cytology. 36: 255-268, July, 2007.

## *Scientific books:*

- Fundamentals of animal production science 1<sup>st</sup> edition (2005).
- Fundamentals of animal production science 2<sup>nd</sup> edition – revised – (2007).
